### Additional Respite Resources

- Unfortunately, respite funding is limited. Please check with local service providers, support groups, etc. for possible options.
- Independent Service Coordination Agencies (ISC) have expertise in local resources. You can find your local ISC on the Illinois Life Span website at [www.illinoislifespan.org](http://www.illinoislifespan.org) by choosing your county and scrolling to the Independent Service Coordination Agency listing.
- The Illinois Respite Coalition may have emergency respite funding available. You can learn more about this funding and other respite information at: <http://www.illinoisrespitecoalition.org/home.html>
- Another funding source for respite for those who qualify is the IL DHS Division of Rehabilitation Services (DRS). For more information and eligibility requirements, contact your local DRS office. <http://www.dhs.state.il.us/page.aspx?module=12>
