

Do you wonder where your adult child with Intellectual Disabilities will live when they are ready to venture out on their own, or when you or a family member can no longer care for them? This can be a very difficult and confusing time in both of your lives.....

Let's start the conversation and make a plan!!! There are people who can help, and who can answer those tough questions you have. Information is Power!

What: Alternative Living options for individuals with Intellectual Disabilities Workshop presented by CSS staff Tiffany Clausell, Director of Adult Services and Alaina Washington, MSW/QIDP, Director of Home and Community Based Services
