## Additional Respite Resources

- Unfortunately, respite funding is limited. Please check with local service providers, support groups, etc. for possible options.
- You will need to contact providers directly to find out about eligibility and other guidelines for their respite programs.
- Independent Service Coordination Agencies (ISC) have expertise in local resources. You can find your local ISC on the Illinois Life Span website at [www.illinoislifespan.org](http://www.illinoislifespan.org) by choosing your county and scrolling to the Independent Service Coordination Agency listing.
- **The Illinois Respite Coalition IRC**  
You can learn more about this funding and other respite information at: <http://www.illinoisrespitecoalition.org/home.html>

### New Statewide Respite Number

To make it easier to access respite services for caregivers, IRC has a new, statewide respite toll-free line to provide statewide information and referrals for respite across the state, and lifespan. The toll-free line can be reached at 866-ILL-RESP (866-455-7377). To reach the Statewide Coordinator, extension 101, for Spanish, extension 103.

### Emergency Respite

Funding is now available for emergency voucher stipends (up to \$500) for caregivers in a crisis situation receiving no other state or waiver funding. The newly funded Emergency Respite Care (ERC) Program's goal is to minimize gaps in services for caregivers in crisis and to provide linkage following ERC funding to longer-term supports already available in Illinois. Please contact us at 866-ILL-RESP ext. 101.

- Another funding source for respite for those who qualify is the IL DHS Division of Rehabilitation Services (DRS). For more information and eligibility requirements, contact your local DRS office. <http://www.dhs.state.il.us/page.aspx?module=12>
